DR. VORONOFF NOT KNOWN.

Dental That He Worked There
Issued by Rockefeller Institute.
In reference to published reports
from France stating that Dr. Serge
Voronoff has announced results of cer-
tain researches designed to restore
youth and youthful power, and that
these researches were based on a series
of experiments at the Rockefeller
Institute in 1918, the institute states
that Dr. Voronoff is unknown to its
officers and staff and has never worked
there in any capacity.

THREE POWERS TO FILE PEACE RATIFICATION SOON

Representatives of France,
England and Italy to Meet
German Envoy in Paris.

PARIS, Oct. 12.—Decrees published
in the official journal this morning
place the interior affairs of France
on a peace basis, ending the state of
siege, lifting the censorship and
transferring jurisdiction over police
affairs from the army to prefectures.
To end the state of war with Ger-
many it is still necessary to deposit
in the Foreign Office a text of the
treaty signed by President Poincaré,
which will be filed with the ratifica-
tion document signed by President
Ebert of Germany, which is already
in hand. To this will be added the
ratification documents signed by the
Kings of England and Italy.

A document will then be drawn up
setting forth the fact of the deposit
of the document, and this will be fol-
lowed by the publication of the text
of the treaty in the official journal.
At that time the treaty will go into
effect.

The exchange of ratifications will
occur at the Foreign Office without
ceremony in the presence of Ambas-
sadors of England and Italy and Kurt
von Lersner, Germany's representa-
tive. Stephen Pichon, Foreign Minis-
ter, will represent France. The
British and Italian ratifications have
not as yet been received, but are ex-
pected at any moment, and it is hoped
the formalities may be concluded
rapidly.

Two sheets will be added to the
treaty when it is filed, the first set-
ting forth that representatives of the
powers have taken cognizance of the
treaty and the second bearing the

signatures and seals of the repre-
sentatives. The document containing
the minutes of the meeting will be
filed with the treaty.

Japanese Privy Council Approves
the Peace Treaty.
TOKIO, Oct. 12 (United Press).—
The Privy Council has approved the
peace treaty and submitted it to the
Emperor for his ratification.

The Privy Council is an advisory
body consulted by the Emperor on
important matters of state. Ratifica-
tion of the treaty by the Japanese
Parliament has not been effected.

Their Medicine Chest For 20 Years

IT is characteristic of
folks after they pass the allotted
"three score years and ten," to look
back over the days that are gone
and thoughtfully live them over.

I find myself, at seventy-one, frequently
driving back a quarter of a century. When
I see myself in the little drug store I owned
at Riverton, Mo., making and selling a
vegetable compound to my friends and
customers—that was then known only as
Dr. Lewis' Medicine for Stomach, Liver
and Bowel Complaints.

For many years while I was perfecting my
formula I studied and investigated the
laxative and cathartic on the market and
became convinced that their main fault
was not that they did not act on the bowels,
but that their action was too violent and
drastic, and upset the system of the user;
which was due to the fact that they were
not thorough enough in their action, some-
times acting on the upper small intestine,
while others would not only on the lower
or large intestine, and that they almost
invariably produced a habit re-
quiring subsequent doses.

I believed that a preparation to produce
the best effect must first tone the liver,
then act on the stomach and entire alimen-
tary system. If this was accomplished, the
medicine would produce a mild, but
thorough elimination of the waste without
the usual straining, soreness and make
the user feel better at once.

After experimenting with hundreds of
different compounds, I at last perfected the
formula that is now known as *Dr. Lewis' Pink
Pills*, which I truly believe goes further

and does more than any laxative on the
market today. The thousands of letters
from users have convinced me I was right,
and that the user of *Dr. Lewis' Pink Pills* as a
family medicine, even though he may have
used it for twenty-five years, never has
to increase the dose.

My knowledge of medicine and the re-
sults of its use in my own family and
among my friends, before I ever offered it
for sale, caused me to have great faith in
Dr. Lewis' Pink Pills from the very first.

And now as I find myself nearing the age
when I must bow to the inevitable and go
to another life, my greatest pleasure is to
tell each day and read the letters that each
mail brings from people as old or older
than I, who tell of having used *Dr. Lewis' Pink
Pills* for ten, fifteen and twenty years,
and how they and their children and
grandchildren have been benefited by it.

It is a comforting thought, my friends, for
a man at my age to feel that aside from
his own success, he has done something
for his fellow man. My greatest satisfac-
tion, my greatest happiness today, is the
knowledge that tonight more than one
million people will take a *Dr. Lewis' Pink
Pill* (or two) and will be better, healthier,
happier people for it. I hope you will
be one of them.

NUXATED IRON HELPS MAKE RED BLOOD STRENGTH AND ENDURANCE

If your blood lacks iron be sure you get the right kind of iron—not
metallic iron, that is made by the action of sulphuric acid on bits of wire
and iron filings—but true organic iron—NUXATED IRON—which most
nearly resembles the natural iron of the blood. Nuxated Iron will often
increase the strength of weak, nervous, run-down people in two weeks'
time. Ask your doctor or druggist.—Advt.
